

BIKE CHECK

WHY GET A BIKE HISTORY CHECK?

A bike history check is important for any potentially used bike owner. It can provide valuable information about the bike's background, such as whether it was ever stolen or involved in an accident. A bike history check can help you make an informed decision about whether or not to purchase a particular bike.

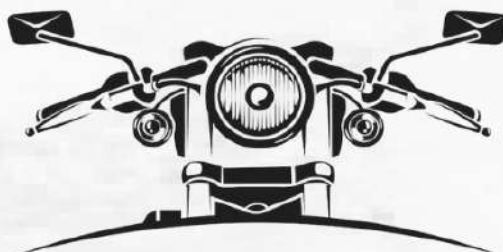

WHAT ARE THE DETAILS PROVIDED BY THE MOTORBIKE CHECK?

A bike check report will give you a variety of information regarding a bike, such as:

- Model
- the bike's MOT
- Tax, insurance status
- its service history
- outstanding finance check

It will also let you know if the number plate has ever been changed, as well as the number of keeper changes that have been noted by the DVLA during the course of the bike's history.
